

Clearwater Forest

Severe Weather Evacuation Plan

Radio and television stations will broadcast the latest tornado advisory information.

KCLD (FM) St. Cloud 104.7

KNSI (AM) St. Cloud 1450

WWJO (FM) St. Cloud 98.0

KKCM (AM) Waite Park 1390

When a tornado approaches, your immediate action may mean life or death. Do not stay in your mobile home during a tornado or severe weather storm. Seek inside shelter at the following location:

STORM SHELTER BY POOL HOUSE

The shelter will be open for community safety anytime South Haven is placed under a severe thunderstorm warning or tornado sirens sound. Clearwater Forest Council Members have keys to access the storm shelter in the event management is not available.

In order to accommodate everyone in the shelters, management requests that all residents abide by the following rules:

- No alcoholic beverages permitted
- No animals permitted
- Parents are responsible for children's behavior

If an emergency occurs, and you cannot seek shelter, get out of your home and find a low area to take refuge. Do not stay in your home!

Emergency Phone Numbers

Manager: Craig Larson ~ 320-274-8857

Police, Fire & Ambulance 911

Whenever dialing 911, always request the

"Annandale Fire and Rescue Department"

Fire

On discovery of a fire, proceed according to the following plan:
